Annual Dues

\$10.00 Per Family

Information

Just the facts...

FSA donated over \$20,000 to St. Germaine during the 2006-2007 school year.

FSA sponsors speakers/presentations for the students during the school year.

FSA provides the teachers with a monetary gift to help with the purchase of classroom supplies.

FSA's main goal is to keep the families of St. Germaine connected through a variety of activities.

FSA is always interested in new ideas!

Volunteers

FSA cannot be successful without the help of parents like you.

We have four volunteer officers who cannot do this alone.

FSA benefits the students, faculty and families of St. Germaine.

Together we can continue to keep our school one of the best!

Please mark your calendar for our meetings and events!

Fund-Raisers

Innisbrook

Families can purchase wrapping paper and candies for all occasions. This is our biggest fund-raiser of the year. 50% of Innisbrook sales are profit for the school. Once the sale ends at school, we can continue to purchase on-line through-out the year!

Market Day

This major fund-raiser provides a way for parishioners to buy food and send the profits straight to St. Germaine. Shopping at the Sara Lee/ Market Day stores will also profit our school - just tell them St. Germaine sent you!

Box Tops and Soup Labels

Be sure to send us your "Box Tops for Education" on General Mills products and the Campbell Soup labels. We send them in and receive a check to purchase school related items!
